

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

March 18, 2011

Ms. Jerris Penrod Mapes  
Assistant City Attorney  
Killeen Police Department  
3304 Community Boulevard  
Killeen, Texas 76542

OR2011-03771

Dear Ms. Mapes:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 411766 (Killeen ID W004766).

The City of Killeen (the "city") received a request for the written statements regarding a specified incident. You claim that the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the claimed exception and reviewed the submitted representative sample of information.<sup>1</sup>

Initially, we note that a portion of the information you have submitted is not responsive to the instant request, which seeks only written statements regarding the case at issue. This ruling does not address the public availability of non-responsive information, and the city is not required to release non-responsive information in response to this request.

Section 552.108(a)(1) provides, in relevant part:

(a) Information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime is excepted from [required public disclosure] if:

(1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]

---

<sup>1</sup>We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why release of the requested information would interfere with the detection, investigation, or prosecution of crime. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state that the submitted information relates to a criminal case that is pending prosecution. Based on your representation and our review, we find that release of the responsive information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (specifying law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Therefore, the city may withhold the responsive information under section 552.108(a)(1).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.oag.state.tx.us/open/index\\_orl.php](http://www.oag.state.tx.us/open/index_orl.php); or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free at (888) 672-6787.

Sincerely,

Misty Haberer Barham  
Assistant Attorney General  
Open Records Division
